

## Directions to Phoenix Aviation Solent Airport *Daedalus* Control Tower - 2<sup>nd</sup> Floor

*Please use the postcode PO13 9FZ in a SatNav.*

From Peel Common Roundabout travel down Broom Way towards Lee-on-the-Solent.

At the traffic lights by the new CEMAST building, turn right onto Daedalus Drive and continue along this road. Stay on Daedalus Drive, passing the Driving Test Centre on your right, through the left/right kink before the MCA buildings on your right, and towards the Control Tower.

At the roundabout, turn right into the (free) car park and park up. The main entrance is at the base of the Control Tower – opposite side of the building to the café.

Please press the button for Phoenix Aviation on the main door and we will buzz you in.

If for any reason we don't answer the phone, then please go to Café Zero 5, let the owner (Lisa) know that you have come for a trial lesson at Phoenix, and we will come down as soon as possible and collect you.

We can be delayed for all sorts of reasons, so please bear with us. Thanks.
